WHAT IS PULSE?

Pulse combines three powerful components into a single daily-use solution:

WHY PULSE? CLOSING THE HEALTHCARE GAP

-  Deductibles that must be paid before coverage begins
-  Co-payments that accumulate with each hospital visit
-  Annual out-of-pocket exposure up to S\$9,500
-  Millions of Singaporeans navigating these costs

PULSE IS BUILT TO CLOSE THIS GAP — AUTOMATICALLY, AFFORDABLY, AND WITHOUT A SEPARATE INSURANCE APPLICATION.
