

turn your mobile plan into health protection & real value

introducing Pulse — america's
next-generation mobile service

 built for texas. designed for america.

unlimited connectivity
keep life moving.

**embedded
health protection**
protection when it matters.

**live rewarded
every day**
earn more. save more.

one membership. three powerful benefits. all in one.

unlimited connectivity

- ✓ unlimited mobile data
- ✓ unlimited voice & sms
- ✓ one simple monthly subscription
- ✓ no hidden fees, no complexity

embedded health protection built for real life

pulse goes beyond telecom — every plan includes
built-in financial protection when you need it most.

deductible protection

reduces exposure to
large unexpected
medical costs

up to
\$10,000

medical event protection

covers major
medical events

up to
\$7,500

everyday health support

supports routine
healthcare usage

up to
\$1,000

designed to complement your existing health coverage — not replace it.

live rewarded every day

earn Pulse Credits from
dining, groceries, travel
& more

use credits to offset
your monthly
subscription

build savings for
health & protection
needs

transfer credits to
family & loved ones
